

# NEWEST COLLECTION AT LAS VEGAS | SUMMER 2012

HUNTINGTON PARK, CA (June 04, 2012) – NOVA, a leading resource for soft contemporary and simple modern lighting and home décor designs, will showcase its newest introductions during the July 30 to August 3, 2012 Las Vegas Market. Ranging from innovative table lamps to dramatic floor and arc designs, Nova's newest collections will be on view in showroom #A355 in the World Market Center.

## THOMAS COLLECTION

The Thomas Collection, named after the legendary inventor of the electric light bulb, Thomas Edison, combines a classic Edison light bulb with clean modern design. The oil rubbed bronze finish, charcoal glass and Edison light bulbs are the perfect mix of classic and contemporary, giving this collection an industrial chic style.

The fusion of industrial and modern elements appears in the **Thomas 3-Light Arc.**

Standing 84" tall with a span of 48", this sleek sophisticated design is accessorized with three 7" diameter x 7"V glass shades that emit a warm ambient glow.

## INWARD ARC LAMP

Simple yet stylish, the Inward 3-Light Arc Lamp features three concaving 7" diameter x 3"V chrome glass shades, illuminated by 40W bulbs. Standing 84" tall with a span of 48", the polished chrome body, white marble base and chrome glass shades provide a sensational fresh look for any home.

The **Thomas Pendant Lamp** is utilitarian and unforgettable. The Edison bulb is celebrated by a simple and striking 10" diameter x 8"V charcoal glass shade. Hanging 33", the pendant comes with two 12" extension tubes, to achieve the desired height.

The perfect balance of oil rubbed bronze, charcoal glass and an oatmeal linen shade brings a sense of warm, industrial modern sophistication to the **Thomas Table Lamp**. Standing 22" high, the lamp features a 100W bulb, 15W T7 night light and a 4-way rotary switch.
